and exaggerated accounts we are not surprised that a paper which has endeavored to gather the true story from reading the various reports should get Review does in the following: The details of the murder, as report

ed, are shocking. The negro, it is said. was nurdered in the woods on Sunday, and badly burned after death That night his body was pit-hed into a cave, and renained there ten months. A friend of Morrow's after awhile told the story, and the result was vester day's hanging. Morrow stoutly maintained that he killed the negro for making indecent proposals to his (Morrow's) little twelve-year-old girl.

THE COLOR LINE.

The National Review, a Republican paper recently started in Nashville, which promises to be the organ of the party in Tennessee, has this paragraph in its last issue: Colored Republicans should not for-

get the desperate effort made by the Democrats to disfranchise them by means of a troublesome red-tape regis-This is not true, because the regis

tration bill made no distinction on the ground of color, and would have been unconstitutional if it had. The inference in the above is that the colored people as a race are too ignorant to that a public officer may lawfully kill a prisoner if he fails to obey his comcomply with the terms of a registration law and they should resent such an intimation as an insult.

But the exact estimate in which the National Review and its party holds the colored man is better shown in the following extract from an editorial in the the same edition of the paper in which the above occurs: With the possible exception of Fred

Douglass and Blanche K. Bruce, there is not a Republican in the United States with a national reputation who could not defeat the next Democratic

Why are these exceptions made Legislature. Washington, June 22, 1885.

The Reduction in Postage. On the first of July next the change in the rate of letter postage, authorized by the appropriation bill of the last congress, will go into operation. The effect of this will be to increase the standard weight of domestic first-class matter from half an ounce to one ounce. So that on and after the 1st of July all domestic first class matter sent through the mails, including drop letters at letter carrier offices, must be charged with postage at the rate of 2 cents per ounce or fraction of an ounce, instead of 2 cents per half ounce or fraction, as at present. Drop letters at other than letter carrier offices are to be charged for at the rate of 1 cent per ounce or fraction. This change in the standard of weight will also apply to first-class matter addressed to Canada,

but not to matter addressed to other foreign countries. The same law also reduces the rate of postage from 2 cents per pound to 1 take office until the Liberals gave cent per pound on newspapers and pe- them some assurance that they would 0001 riodicals, when sent by the publisher not be captious in their opposition. and from the office of publication, in- At the solicitation of the Queen, Gladcluding complete copies, or when sent stone promised to exert his influence from a news agency to actual subscri- in that direction and so the Tories druggists have already secured a supbers, or to other news agencies.
